Dear Parents / Carers

Opal Play

As part of our Opal Play programme, we are introducing the use of bikes and scooters on the MUGGA.

In completing the Risk Benefit Analysis, we have taken into consideration the concerns from parents, staff and governors regarding the wearing of helmets. The full risk benefit assessment can be seen on the school website, in addition we have put some additional information regarding the wearing of helmets and safety information.

However, in order to ensure that we are taking parents'/carers wishes into account, we are asking parents/carers to complete the slip below to indicate what your preferences would be regarding the wearing of cycling helmets during playtimes.

We would appreciate it if forms could be back to the school office by Wednesday 23rd April, as we hope to implement the bikes / scooters by Tuesday 6th May. If we do not have a completed slip, giving permission, your child will not be allowed on the scooters/bikes during play.

Please take the time to read the Risk Benefit Analysis, and safety information so that you feel fully informed to make this decision.

Please return to the school office by Wednesday 30th April 2025
