Sports Grant 2025-26

Date of Issue: September 25

Value: 17,515

The school sports grant is funding primarily through the government's PE and Sport Premium, which provides ring-fenced money to primary schools for improving physical education.

It's purpose is to improve the quality of PE and sport provision and increase physical activity in primary schools.

At J H Godwin we plan to build capacity and capability within the school to ensure that improvements made now will benefit our pupils for future years. This plan will be revived half termly and be continually developed throughout the year to ensure sports is being delivered and maintained to a high standard.

We intend to do this by:

Action & Impact	Activity	Costs
Investing in quality CPD (Continuous Professional Development), for all staff, either from quality external providers, or via the school PE lead.	• PE Hub Subscription	£525
Investing in quality equipment to support learning and provide a variety of sports	• Resources for PE & Sports Day	£400

In school and afterschool club that harness and develop the skills of pupils in individual sports, to enable pupils to participate in BEV sports competitions	• Variety of ASC clubs offered to KS2. Tag rugby, basketball, dodgeball, rounders, netball • Multi Skills KS1 Club *ran by SRDevelopment*	£1080 *tbc*
Invest in high quality external professionals to deliver specialist after school clubs, to help develop confidence and encourage participation in sporting activities	• Residentials • Activity Days – Parkour workshop *(17th June)*	£1,850 £650
Develop our schools play policy to include inter house tournaments, which will encourage pupil participation and develop physical activity and creative play.
